## **Notes:**

### **Further issue fees**

A further issue fee, charged at the same rate as the initial fee, shall be payable by the issuer on making an application for listing for a further issue of a class of securities which is already listed on the Exchange.

This charge does not apply to the issue of securities on the exercise of options, warrants or similar rights to subscribe or purchase securities, the granting or issue of which has already been approved by the Exchange, or to a capitalisation issue or an issue of securities under a scrip dividend scheme.

### **Annual fee**

The annual fee in respect of the first year shall be payable on the admission of the securities to listing and thereafter shall be payable on the anniversary of the listing date.

Where annual fees are paid in advance a discount may be applied.

### **Supplementary or revised listing documents**

A further fee of US \$500 (CI \$410) shall be payable by the issuer of securities already listed on the Exchange on submission of a supplementary or revised listing document for approval by the Exchange.

### **Additional fees**

The Exchange reserves the right to charge an administrative fee as it considers appropriate with reference to the nature of the transaction and amount of work required by the listing department or where an application for listing of securities is not followed by actual listing of such securities.

### **Payment**

Initial listing fees must be paid by the date of the associated listing. The Exchange reserves the right to delay listings where fees remain unpaid.

### **Refunds**

Under no circumstances are refunds of fees previously paid granted by the Exchange.
